

Agency: Commerce, Community and Economic Development**Grants to Municipalities (AS 37.05.315)****Grant Recipient: Anchorage****Project Title:**

Anchorage - Cherry Street Overlay - 6th Avenue to 10th Avenue

State Funding Requested: \$ 200,000**House District: 19 - J**

One-Time Need

Brief Project Description:

Design and construct a pavement overlay on a road that functions as a neighborhood collector.

Funding Plan:**Total Cost of Project: \$200,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

Detailed Project Description and Justification:

This project originated in 2007, there are anticipated but undocumented cost increases. This project will design and construct a pavement overlay or replacement project on a road that functions as a neighborhood collector. Funding is expected to accelerate construction to 2009. Improvements will also address local drainage concerns. The project is a priority with the local neighborhood and street maintenance. MOA 2007/2008 Legislative Priority page 9-29. This street runs directly in front of Muldoon Elementary School further increasing the need for this project.

Project Timeline:

FY 09 - State dollars begin design and construction;

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage
